

CampusNet Account Balance

- After registering for your courses, please click on the “Account” tab on CampusNet to determine whether or not you owe any fees for your courses.

- Project 60 students will not be billed the tuition for any courses, but will be billed any fees associated with the courses (i.e. lab fees, late fees).
- If you owe any fees, please pay them online or in person at the Cashier's Office. Students can pay fees online through CampusNet using an electronic check or credit card. The Cashier's Office is located in Main Classroom 115 for students wishing to pay with cash or check.
- For questions related to account balances and fees, please contact the Campus411 staff at 216.687.5411.
