### **LEANOHIO BOOT CAMP: TRANSFORMING THE PUBLIC SECTOR**

LeanOhio Boot Camp is an intensive 4-day training program focusing on making government processes simpler, faster, & cost-efficient.

#### **What is "Lean"?**

Lean refers to a collection of principles & methods focusing on identifying & eliminating "waste".

#### **Utilizing Lean, a public sector entity will...**

- Eliminate or drastically reduce backlogs
- Reduce time to meet customer needs by more than 50%
- Decrease the complexity of processes
- Allocate more staff to "mission critical work"
- Improve staff morale

#### **Who should enroll in LeanOhio Boot Camp?**

Counties, municipalities, & government agencies seeking to streamline public-sector processes.
